

PAN-RELIGION & “NEW AGE” DEBUNKED!
FIGHT FOR YOUR INDEPENDENT EXISTANCE

- by “Satanic Orthodoxy”
(texts & images collection)

For several decades all people repeat like parrots the narrative of ‘’New Age’’ and Pan-Religion plan, but until now nobody presents a specific image for what exactly are all these. Talk indefinitely about Jews, Freemasons, Illuminati, Satanism, Aliens e.t.c. without proof and making propaganda for religious and speculative (e.g. selling books through conspiracy theories) expediencies. For example, some Christians say about this global situation that is <<satanic>> for frightening or for still keeping the faithful in the Church, some other add with in the Jews and the Freemasons and the latter linger Satanists or all those who want to be in their organizations and so on, as a result the true Satanism (=Orthodox = following Satan only though religious texts) to come out lost all the time! Simultaneously, all this indefinitely image about ‘’New Age’’ era with Pan-Religion, make people not to know who to fight in fact for keeping their independent existence, nationally and religiously. So let’s put thing in order only with proofs...

WHAT A FUCK ???

Yes, what a fuck it happens here! The only proof that we have about the existence of a Pan-Religion, that is a global unite of some religions in the same temple, is the Pyramid of Global Sun Religion in Astana city. Can Satan be related with that? Of course not, because Satan is an anti-God spirit against the God of all these religions which are collected over there (e.g. anti-God as Samael or Satan in Judaism & Christianity, Iblis or Shaitan in Islam, Ahriman in ancient Persia, Apep or Set in ancient Egypt, Typhon in ancient Greek, Loki in ancient Scandinavia and so on as a Dark and not Light god) and more specifically we see some traitors priests there who rejected their own religion (with specific religious books and Holy Mysteries) for accepting an indefinite with a global Sun! But which Sun? Looking inside this Sun Pyramid, we get the answer:

We are seeing the “Tree of Life” and we know that associated with Biblical God (and not with Satan and his “Tree of Knowledge” or Qliphoth with Demons):

TREE OF LIFE = TEN SEFIROT

The **TEN SEFIROT** are the Ten Channels of **DIVINE ENERGY** or **LIFE-FORCE** from the **FIRST GOD**.

This **TEN SEFIROT** structure is the Foundation of **MESSIANIC KABBALAH WISDOM**. The **ZOHAR** called this **TEN SEFIROT** the **TREE OF LIFE** as written in the **BIBLE**. **GEN 2:9, REV 2:7, 22:2, 14**

Freemasonry now that is a miniature of Pan-Religion in every Masonic Lodge, has the same Global Sun Demiurge but don't give a specific God name (talks about Supreme Being or Great Architect of the Universe or JUH-BUL-ON on 33th degree) to avoid the religious controversies between its members (e.g. giving the name Jesus Christ to that Sun God, Jews and Muslims will not accept him because they don't believe that Christ was God):

So, who God then called also and as Sun and created Paradise (Spiritual Cosmos) and Universe? We have to take a look into the Christian Gnosticism and we will take the right answer:

ειμί (Ι) το Α και το Ω

«Εγώ ειμί το Α και το Ω, αρχή και τέλος, λέγει ο Κύριος, ο Ων και ο Ήν και ο Ερχόμενος, ο Παντοκράτωρ». (Αποκάλυψις 1:8).

“ABRAXAS: The word Abraxas is found in Gnostic texts such as the Holy Book of the Great Invisible Spirit, and also appears in the Greek Magical Papyri. The Holy Book of the Great Invisible Spirit refer to Abraxas as an Aeon

dwelling with Sophia (wisdom) and other Aeons of the Pleroma in the light of the illuminary Elleleth. The early Fathers of the Catholic Church such as Irenaeus and Epiphanius had said that the world, as well as the 365 heavens, was created in honour of ‘Abraxas;’ and that Christ was sent not by the Maker of the world but by ‘Abraxas,’ and according to Jerome (c.347–September 30, 420) who is best known as the translator of the Bible from Greek and Hebrew into Latin, ‘Abraxas’ meant for Basilides “the greatest God” (De vir. ill. 21), “the highest God” (Dial. adv. Lucif. 23), “the Almighty God” (Comm. in Amos iii. 9), and “the Lord the Creator” (Comm. in Nah. i. 11). C. W. King, in his *Gnostics and Their Remains*, says the word Abraxas is similar to the Hebrew Shemhamphorasch, a holy word, the extended name of God’’

Ok then about Jesus Christ whose name must be hidden, otherwise Jews and Muslims don't accept him then as their God, but what about Muslims who neither accept Jews (as false religion) in their Koran? How coexist peacefully each other into this Pan-Religion without wars between them? Are they

having another common symbol to unite them? Of course! This is the cube of Saturn, same for the Jews and for the Muslims and it has already appeared again from the elite of Globalization:

BLACK CUBE OF SATURN

FROM JEWS:

(Note again the Sun-Hexagram to the “Tree of Life” of Biblical God as we saw before in this writing and remember now the same use of it from Global Elite today):

TO MUSLIMS:

AND HOW CONNECT AGAIN WITH JESUS CHRIST:

And as we already know from Greek Mythology, Saturn was a fair king, bring prosperity in the world without evil, war and death in, like Judeo-Christian Paradise situation or ‘Golden Age’ as ‘New Age’ call it today and as Jew (and Christian) Messiah want also the same:

(Isaiah sees the latter-day temple, gathering of Israel, and millennial judgment and peace—The proud and wicked will be brought low at the Second Coming)

Old Testament, Isaiah 2 : 1 The word that Isaiah the son of Amoz saw concerning Judah and Jerusalem. 2 And it shall come to pass in the last days, that the mountain of the Lord's house shall be established in the top of the mountains, and shall be exalted above the hills; and all nations shall flow unto it. 3 And many people shall go and say, Come ye, and let us go up to the mountain of the Lord, to the house of the God of Jacob; and he will teach us of his ways, and we will walk in his paths: for out of Zion shall go forth the law, and the word of the Lord from Jerusalem. 4 And he shall judge among the nations, and shall rebuke many people: and they shall beat their swords into plowshares, and their spears into pruninghooks: nation shall not lift up

sword against nation, neither shall they learn war any more. 5 O house of Jacob, come ye, and let us walk in the light of the Lord.

And still staying to the Old Testament, on the other hand remember and the anti-God act of Satan against any this situation:

(Zechariah speaks about the Messiah—The Branch will come—At the Second Coming, iniquity will be removed in one day)

Old Testament, Zechariah 3 : 1 And he shewed me Joshua the high priest standing before the angel of the Lord, and Satan standing at his right hand to resist him. 2 And the Lord said unto Satan, The Lord rebuke thee, O Satan; even the Lord that hath chosen Jerusalem rebuke thee: is not this a brand plucked out of the fire?

And not only in case of Satan's attitude we can not mix together all the religions in a Pan-Religion (and in a Freemasonic Lodge also) when Satan go against Biblical God for wanting this, but and the case of Jesus Christ who said that only through him the salvation will come, so can't have it the Jews, Muslims and any other who reject him (and don't spells his name of course):

New Testament, John 14 : 5 Thomas saith unto him, Lord, we know not whither thou goest; and how can we know the way? 6 Jesus saith unto him, I am the way, the truth, and the life: no man cometh unto the Father, but by me. 7 If ye had known me, ye should have known my Father also: and from henceforth ye know him, and have seen him.

But, Jews crucified Christ because they are waiting another(!) Messiah, Muslims are also anti-Christians because they don't believe (as Jews also) that Christ is God and God can't has a son, Traditional Pagans believe in other gods, Buddhists and Hindus also the same and so on, Satan go against all these gods and Biblical God with any Messiah as we saw, so the "New Age" propaganda in our days which tell us (for Pan-Religion and Globalization reasons) that every(!)

religion can leads us to the same God because all there are one, is actually a deception:

“New” Age Deception #3:

**We're All ONE,
So It's ALL Good**

– The Atheist’s prayer

On Dec. 2, atheist Preston Smith led the invocation at a Lake Worth City Commission meeting. Four commissioners walked out. Here’s what he said:

“Our collective atheism — which is to say, loving empathy, scientific evidence, and critical thinking — leads us to believe that we can create a better, more equal community without religious divisions. May we pray together?

“Mother Earth, we gather today in your redeeming and glorious presence, to invoke your eternal guidance in the Universe — the original creator of all things.

“May the efforts of this council blend the

righteousness of Allah with the all-knowing wisdom of Satan. May Zeus, the great God of Justice, grant us our strength tonight.

“Jesus might forgive us of our shortcomings while Buddha enlightens us through His Divine affection.

“We praise you Krishna, for the sanguine sacrifice that has freed us.

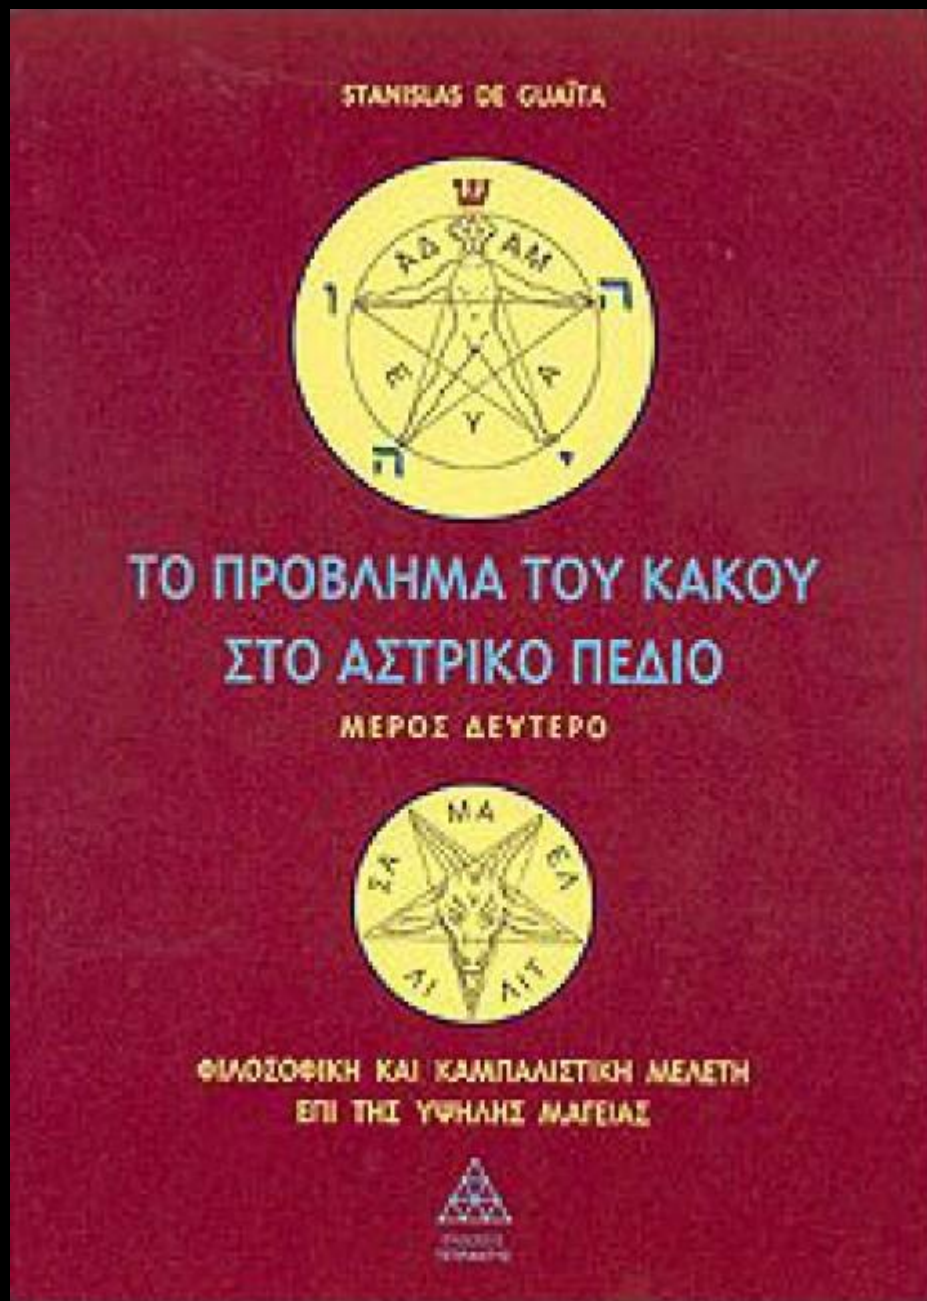

“After all, if Almighty Thor is with us, who can ever be against us?

“And finally, for the bounty of logic, reason, and science, we simply thank the atheists, agnostics, and non-religious, who now account for one in five Americans, and growing rapidly.

“In closing, let us, above all, love one another, not to obtain mythical rewards for ourselves now, hereafter, or based on superstitious threats of eternal damnation, but rather, embrace secular-based principles of morality — and do good for goodness’ sake. And so we prayed. ... So what?”

At last, there is also another deception and in the case of Satan and His relationship with Freemasonry. Two such in fact. First, about the image of Baphomet with upright Pentagram on the head and about Lucifer. Let us expose and these lies as well.

From above Freemasonic book, learn firstly the difference between the inverted and not inverted five-pointed star (in English translation from Greek):

"The inverted five-pointed star is a symbol of criminal will. We know that the Pentagram in which the human microcosm is registered (Will, Intellect, Love, Power and Beauty) is a variable hieroglyph. In its normal position, with the unique top facing up, it is the shield of the magician of light and expresses the beneficial properties and the glorious privileges of the Intellect, which voluntarily accompanies the level of Providence. The five letters of the name of the Godman (Jesus) shine in the rays of the Star. Inverted, however, the five-pointed Aster is a symbol of dishonesty, loss, blasphemy. "When the two peaks are up, they make up the horns of the abominable Goat that threatens Uranus, and whose head is framed by the five-pointed star, its lowered ears are slanted and its tangled beard at the only lower peak."

But Freemasonry and atheist pseudo-satanists like "Church of Satan" and "Satanic Temple" in America who don't believe in the satanic existence (consider Him only as a symbol or power although the Bible from which they take His name but atheistically change the theology that mentions it, never give us an atheistic aspect of Satan as we read before in Old Testament), all these use the non inverted Pentagram as we see below (on the head):

– The image of Baphomet was originally created in 1854 by occultist Eliphas Levi for his book «Dogme et Rituel de la Haute Magie» («Dogmas and Rituals of High Magic»). Levi himself described the meaning of the symbol thusly in «Dogme et Rituel»:

«The goat on the frontispiece carries the sign of the pentagram on the forehead, with one point at the top, a symbol of light, his two hands forming the sign of hermetism, the one pointing up to the white moon of Chesed, the other pointing down to the black one of Geburah. This sign expresses the

perfect harmony of mercy with justice. His one arm is female, the other male like the ones of the androgyn of Khunrath, the attributes of which we had to unite with those of our goat because he is one and the same symbol. The flame of intelligence shining between his horns is the magic light of the universal balance, the image of the soul elevated above matter, as the flame, whilst being tied to matter, shines above it. The beast's head expresses the horror of the sinner, whose materially acting, solely responsible part has to bear the punishment exclusively; because the soul is insensitive according to its nature and can only suffer when it materializes. The rod standing instead of genitals symbolizes eternal life, the body covered with scales the water, the semi-circle above it the atmosphere, the feathers following above the volatile. Humanity is represented by the two breasts and the androgyn arms of this sphinx of the occult sciences... the follower goat, whose the pentagram on the forehead is enough to forbid us to conceive of him as one of Satan's mythical images«

“The two main satanic sects these days are the Church of Satan and the Satanic Temple. Just like Sunni and Shia or Protestant and Catholic, an outsider to both would barely see the difference between the two. Both the Church and the Temple love pentagrams, blood, blackness, deep screeching music and goatish gods. Neither one actually believes in a literal Satan — it’s all metaphor, all smoke and mirrors”

We must not forget to complete also another deception which is about the Divine Eye (like on the American dollar). It is not satanic also:

The left circle depicts an unfinished pyramid, which symbolizes the incomplete work of the USA. Instead of a peak, the pyramid bears the illuminated "Eye of Divine Providence". The eye is a symbol of the Divine and reflects the "belief" of Benjamin Franklin, that a group of people, with the help of God, can achieve everything. Above the eye is the Latin phrase "ANNUIT COEPTIS", which translates as "God favors our work". Below the pyramid is the phrase "NOVUS ORDO SECLORUM", which means "A new order of things has begun". The number 1776, which appears at the base of the pyramid (in Latin numerals), refers to the year in which the Americans declared their independence"

- University of Exeter, Wikipedia.org

The Freemasonic branch called Illuminati, also uses that Eye above and on a Greek book about it below, we also see (beyond the same Freemasonic symbols) and the Archangel Michael defeated Satan (so Illuminati is not Satanism also):

Νικόλαος Λάος
Πρόεδρος της Ελληνοκρατικής Διακρίσεως

ΤΟ ΤΑΓΜΑ ΤΩΝ ILLUMINATI ΣΤΗΝ ΕΛΛΑΔΑ

Μυστική Γνώση · Ιστορία · Τυπικά

On the other hand, the satanic Eye is opposite as we will see below (the Unholy Trinity):

Ok, but then what are all about Lucifer who referred in Freemasonry and Illuminati if their Lodges are not satanic? The answer is that they don't refer Satan as Lucifer into the Bible, but call "Lucifer" Jesus Christ with different way (e.g. Gnostic Jesus, god Mithras in the ancient Persian religion and in the 28th Freemasonic degree and with other similar characteristics) like Bible also refer that (Morning Star or Lucifer):

New Testament, Revelation 22 : 16 I Jesus have sent mine angel to testify unto you these things in the churches. I am the root and the offspring of David, and the bright and morning star.

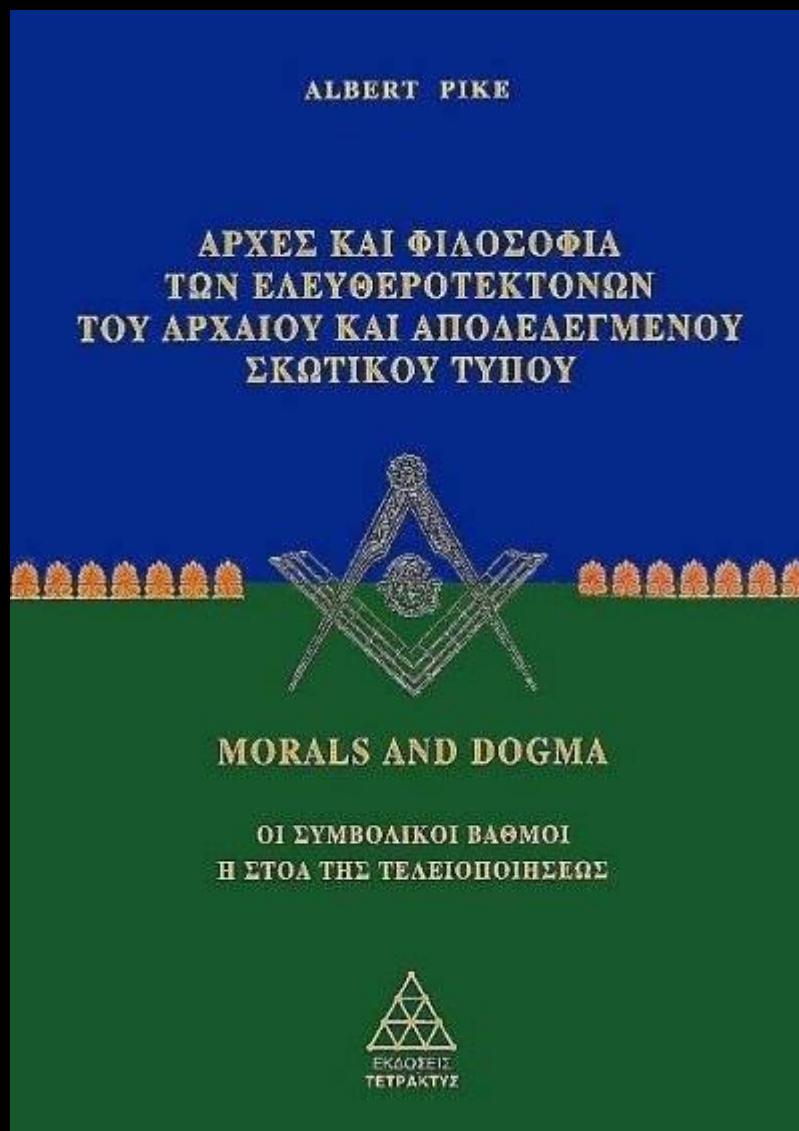

But Old Testament referred to Satan as Lucifer and not to Jesus Christ:

Isaiah 14 : 12 How art thou fallen from heaven, O Lucifer, son of the morning! how art thou cut down to the ground, which didst weaken the nations! 13 For thou hast said in thine heart, I will ascend into heaven, I will exalt my throne above the stars of God: I will sit also upon the mount of the congregation, in the sides of the north: 14 I will ascend above the heights of the clouds; I will be like the most High. 15 Yet thou shalt be brought down to hell, to the sides of the pit.

And the Revelation of John also described that fact as Satan's Fall:

Chapter 12: 7 And there was war in heaven: Michael and his angels fought against the dragon; and the dragon fought and his angels, 8 And prevailed not; neither was their place found any more in heaven. 9 And the great dragon was cast out, that old serpent, called the Devil, and Satan, which deceiveth the whole world: he was cast out into the earth, and his angels were cast out with him.

But Freemasonry don't refer to Satan as Lucifer and reject also the Satan's existence!

In *Morals and Dogma*, Mr. Pike argues that Lucifer IS the one «who bears the light.» According to Pike, Lucifer is NOT to be equated with «the Devil», «Spirit of Darkness,» or «Evil!» Pike argues that the terms «Satan», and the «Spirit of Darkness,» is not a person, but simply a «Force» and was an invention of men who wish to explain

the existence of evil. Pike hopes these terms would not be used to identify the person Lucifer whom Pike identifies as the «the Light-bearer! On page 102, Mr. Pike tries to imply that, before Christ came into the world, Lucifer was the one who gave the light and presented this light to the other religions of the world. Mr. Pike claims, that all of the worlds religions are «one religion and one worship» and combined, all the world religions are really the same religion!’’

as the life of a dog. "God has arranged all things by weight, number, and measure," says the Bible; and this luminous doctrine was also that of Plato.

Humanity has never really had but one religion and one worship. This universal light has had its uncertain mirages, its deceitful reflections, and its shadows; but always, after the nights of Error, we see it reappear, one and pure like the Sun.

The magnificences of worship are the life of religion, and if Christ wishes poor ministers, His Sovereign Divinity does not wish paltry altars. Some Protestants have not comprehended that worship is a teaching, and that we must not create in the imagination of the multitude a mean or miserable God. Those oratories that resemble poorly-furnished offices or inns, and those worthy ministers clad like notaries or lawyer's clerks, do they not necessarily cause religion to be regarded as a mere puritanic formality, and God as a Justice of the Peace?

We scoff at the Augurs. It is so easy to scoff, and so difficult well to comprehend. Did the Deity leave the whole world without Light for two score centuries, to illuminate only a little corner of Palestine and a brutal, ignorant, and ungrateful people? Why always calumniate God and the Sanctuary? Were there never any others than rogues among the priests? Could no honest and sincere men be found among the Hierophants of Ceres or Diana, of Dionusos or Apollo, of Hermes or Mithras? Were these, then, all deceived, like the rest? Who, then, constantly deceived them, without betraying themselves, during a series of centuries?—for the cheats are not immortal! Arago said, that outside of the pure mathematics, he who utters the word "impossible," is wanting in prudence and good sense.

The true name of Satan, the Kabalists say, is that of Yahveh reversed; for Satan is not a black god, but the negation of God. The Devil is the personification of Atheism or Idolatry.

For the Initiates, this is not a Person, but a Force, created for good, but which may serve for evil. It is the instrument of Liberty or Free Will. They represent this Force, which presides over the physical generation, under the mythologic and horned form of the God PAN; thence came the he-goat of the Sabbat, brother of the Ancient Serpent, and the Light-bearer or Phosphor, of which the poets have made the false Lucifer of the legend.

Gold, to the eyes of the Initiates, is Light condensed. They

Albert Pike
does not equate
Lucifer with Satan. "Satan" was
a "negation of God." Lucifer was "the light-bearer"
of ancient times, before Christ.

Lucifer
was
this
light?

On page 321, Mr. Pike posts the question «How could Lucifer be equated with Spirit of Darkness?» Pike draws our attention to the fact that Lucifer, in Hebrew is «Heylel» which means – «morning star» (in the sense of brightness)!

Pike's writings teach that Lucifer never fell, that he is the light of the world, equal in power to Almighty God, yet less transcendent at the present time. To stress his point, in *Morals and Dogma* Pike ridicules the book of Revelation for denying Lucifer equality with God: «The Apocalypse (Book of Revelation) is.. .the Apotheosis of that Sublime Faith which aspires to God alone, and despises all the pomps and works of Lucifer....

Pike's scorn is directed toward those who have faith only in the God of the Apocalypse without giving Lucifer due respect. He continues his eulogy to Lucifer in the next sentence: «Strange and mysterious name to give to the spirit of Darkness! Lucifer, the Son of the Morning! Is it he who bears the Light, and with its splendors intolerable blinds feeble, sensual, or selfish souls? Doubt it not!»

mary of all the occult figures, divides its images into three Septenaries, after each of which there is silence in Heaven. There are Seven Seals to be opened, that is to say, Seven mysteries to know, and Seven difficulties to overcome, Seven trumpets to sound, and Seven cups to empty.

The Apocalypse is, to those who receive the nineteenth Degree, the Apotheosis of that Sublime Faith which aspires to God alone, and despises all the pomps and works of Lucifer. LUCIFER, the Light-bearer! Strange and mysterious name to give to the Spirit of Darkness! Lucifer, the Son of the Morning! Is it *he* who bears the *Light*, and with its splendors intolerable blinds feeble, sensual, or selfish Souls? Doubt it not! for traditions are full of Divine Revelations and Inspirations: and Inspiration is not of one Age nor of one Creed. Plato and Philo, also, were inspired.

The Apocalypse, indeed, is a book as obscure as the *Sohar*.

It is written hieroglyphically with numbers and images; and the Apostle often appeals to the intelligence of the Initiated. "Let him who hath knowledge, understand! let him who understands, calculate!" he often says, after an allegory or the mention of a number. Saint John, the favorite Apostle, and the Depositary of all the Secrets of the Saviour, therefore did not write to be understood by the multitude.

Book of Revelations

The Sephar Yezirah, the *Sohar*, and the Apocalypse are the completest embodiments of Occultism. They contain more meanings than words; their expressions are figurative as poetry and exact as numbers. The Apocalypse sums up, completes, and surpasses all the Science of Abraham and of Solomon. The visions of Ezekiel, by the river Chebar, and of the new Symbolic Temple, are equally mysterious expressions, veiled by figures of the enigmatic dogmas of the Kabbalah, and their symbols are as little understood by the Commentators, as those of Free Masonry.

The Septenary is the Crown of the Numbers, because it unites the Triangle of the Idea to the Square of the Form.

The more the great Hierophants were at pains to conceal their absolute Science, the more they sought to add grandeur to and multiply its symbols. The huge pyramids, with their triangular sides of elevation and square bases, represented their Metaphysics, founded upon the knowledge of Nature. That knowledge of Nature had for its symbolic key the gigantic form of that huge Sphinx, which has hollowed its deep bed in the sand, while keep-

It is by His uttered Word that God reveals Himself to us; not alone in the visible and invisible but intellectual creation, but also in our convictions, consciousness, and instincts. Hence it is that certain beliefs are universal. The conviction of all men that God is good led to a belief in a Devil, the fallen Lucifer or Light-bearer, Shaitan the Adversary, Ahriman and Tuphōn, as an attempt to explain the existence of Evil, and make it consistent with the Infinite Power, Wisdom, and Benevolence of God.

Nothing surpasses and nothing equals, as a Summary of all the doctrines of the Old World, those brief words engraven by HERMES on a Stone, and known under the name of "*The Tablet of Emerald*:" the Unity of Being and the Unity of the Harmonies, ascending and descending, the progressive and proportional scale of the Word; the immutable law of the Equilibrium, and the proportioned progress of the universal analogies; the relation of the Idea to the Word, giving the measure of the relation between the Creator and the Created, the necessary mathematics of the Infinite, proved by the measures of a single corner of the Finite;—all this is expressed by this single proposition of the Great Egyptian Hierophant:

"What is Superior is as that which is Inferior, and what is Below is as that which is Above, to form the Marvels of the Unity."

Albert identifies Lucifer, being the Devil, or Satan, as men's belief in order to explain Evil.

Mr. Pike, then argues that the Christian doctrine which teaches that Lucifer is the «Devil» is man's attempt to explain Evil! Therefore, Mr. Pike contends on page 102 above, identifying Lucifer as «Satan» is a legend ... a creation of men!

CONCLUSION

Freemasonry and any other form of similar Pan-Religion can not be related with Satanism and any other Orthodox religion with specific dogma and Holy Mysteries (e.g. Baptism, Communion, Confession, Mighty Contract or Pact with the Devil e.t.c.) that do not exist in a symbolic and atheistic in fact Pan-Religion.

So we must destroy it before destroy us and all the religions for making only one global for Globalization reasons, because a Global State demands and a Global Religion, otherwise will be destroyed by the religious controversies! And because as Orthodox Satanists we are not million today neither thousands in the world, we achieve this goal fighting only through every other independent religion (hiding in there our satanic identity) as Christianity for example with millions followers and choose the more fanatic side for that (like Medieval Holy Inquisition), saving like that and our selves for the future, ethno-racially and religiously. Simultaneously, we must participate and in every anti-Globalization movement or political party (e.g. nationalist) for blocking Globalization to complete on earth politically (Global Communism with democratic profile as we will see below) bringing then finally and the Pan-Religion which we described in this writing.

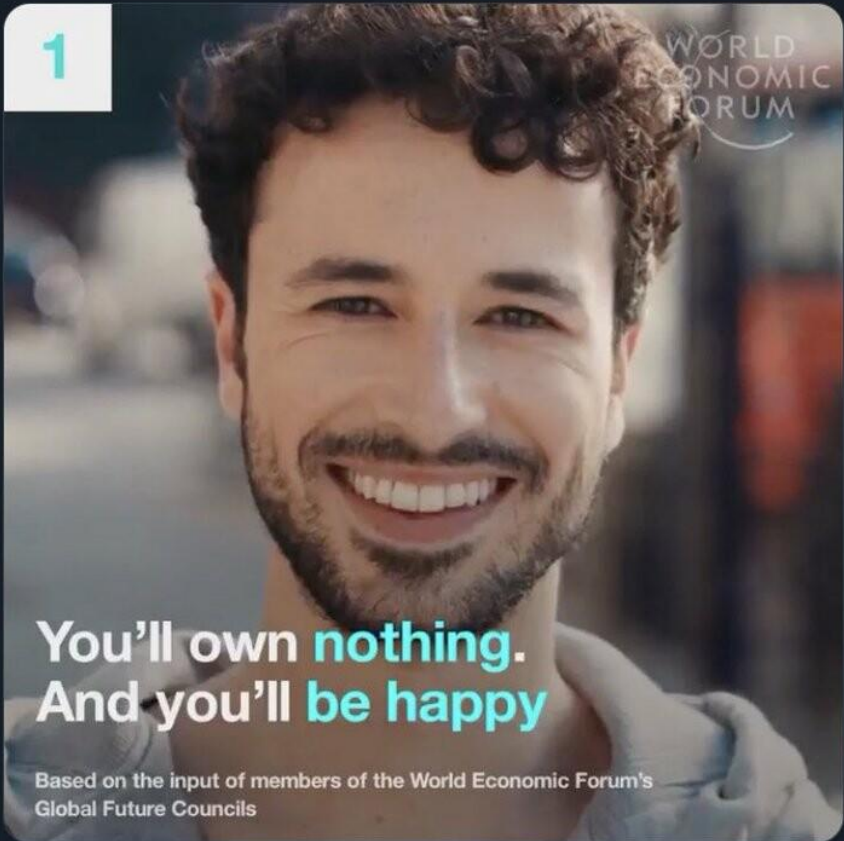

To avoid nevertheless all this catastrophic situation and our slavery (look at the bottom of the Globalization Pyramid above), we must be financially independent also, because if we will own nothing as Global Economic Forum tell us about the technological future (with machines instead of workers, digital money and no cash anymore, Universal Banking Income to “useless eaters” that will be and so on), then we will be obliged to accept after this total control (like global

communism) and the Pan-Religion (a copy-paste of Freemasonry as we saw in this writing) if we don't want to come back up to the mountains!

And without Nationalism of independent nations anymore, all these plans will be completed! Some financially solutions will be given below (except from our national political and ideological choices which must do as we said before):

How to Support the Resistance :

**FIGHT WITH YOUR WALLET TO HURT THEM WHERE IT COUNTS
THIS IS THE ONLY VOICE THEY CAN HEAR LOUD & CLEAR!**

- 1. DO NOT BORROW MONEY FROM BANKS & STOP USING CREDIT CARDS, CASH ONLY!**
STOP GIVING THEM YOUR MONEY
- 2. LEARN TO BARTER FOR GOODS.**
TRY NOT TO USE THEIR MONEY
- 3. SHOP LOCAL OWNED STORES!**
KEEP YOUR MONEY CIRCULATING IN YOUR OWN HOME-TOWN
- 4. AVOID LARGE CORPORATE STORES SUCH AS: WALLMART, COSTCO, OR ANY OTHER CHINESE IMPORT STORE.**
WHAT IS THE COST OF LOW-LOW PRICES FROM CHINA? INFLATION!
PAY NOW OR PAY LATER, ITS UP TO YOU!
- 5. GROW AS MUCH FOOD HOME AS YOU CAN.**
WINDOW GARDENS, PATIO GARDENS OR ONE OUTSIDE, DO WHAT YOU CAN
- 6. BUY USED ITEMS INSTEAD OF NEW.**
USE YOUR LOCAL SWAP N SHOP, READ CLASSIFIEDS, OFTEN ARE FREE
- 7. START A BUSINESS PRODUCING REAL PHYSICAL GOODS AND SELL LOCALLY.**
BE A PRODUCTIVE MEMBER OF SOCIETY, START PART-TIME AND GROW
- 8. RECYCLE OLD ITEMS.**
RECYCLING AN OLD ITEM TO A NEW PURPOSE SAVES MONEY, BE CREATIVE
- 9. AVOID FAST FOOD STORES.**
FAST FOOD IS LOW IN BRAIN NUTRITION & USUALLY CORPORATE OWNED
- 10. GET EVERYONE YOU KNOW INVOLVED, ESPECIALLY THOSE IN YOUR OWN NEIGHBORHOOD! SHARE YOUR GARDEN & GET TO KNOW YOUR NEIGHBORS!**

And , finally, we must never forget all these traitors, Satanists and not, who are hiding until today all these information you read in this writing because they serve Globalization with cooperation or allow it with pathetic way to act (e.g. when tell us that they are not nationalists, racists, anti-Jews and don't care about the politics) and must be punished for that or avoid them, respectively. After all, this Global Elite people say that believe in co-responsibility, that is, who does not react against them, then is considered as their agreed member!
